### SUPPLEMENTARY INFORMATION:

The notice of enforcement of regulation in docket number USCG-2021-0304 is rescinded and replaced by this notice of enforcement of regulation. The Coast Guard is

amending the enforcement period and will now enforce the safety zone in 33 CFR 165.1305 from 2 p.m. on July 2 through 12:30 a.m. on July 4, 2021 unless the COTP of Puget Sector Sound grants general permission to enter the regulated area during these stated enforcement periods. This action is being taken to provide for the safety of life on navigable waterways during the aerial demonstrations above the waterway.

The safety zone resembles a rectangle protruding from the shoreline along Ruston Way and will be marked by the event sponsor. The specific coordinates of the safety zone location are listed in 33 CFR 165.1305.

As specified in § 165.1305(c), during the enforcement periods, no vessel may transit the regulated area without approval from the COTP or a COTP designated representative. The COTP may be assisted by other federal, state, and local law enforcement agencies in enforcing this regulation.

In addition to this notice of enforcement in the ***Federal Register***, the Coast Guard plans to provide notification of this enforcement period via the Local Notice to Mariners, marine information broadcasts during the day of the event. If the COTP determines that the safety zone need not be enforced for the full duration stated in the notice of enforcement, he may use a Broadcast Notice to Mariners to grant general permission to enter the regulated area.

Dated: May 27, 2021.

Captain, U.S. Coast Guard,  
Captain of the Port Sector Puget Sound.
